

SHERIDAN JAPANESE SCHOOL
Self-Medication Agreement

Students, who are developing and/or behaviorally able, will be allowed to self-administer prescription and nonprescription medication, subject to the following:

1. This permission form must be submitted for all self-medication of all prescription and nonprescription medication.
2. All prescription and nonprescription medication must be kept in its original container, as follows:
 - A. Prescription labels must specify the name of the student, name of medication, dosage, and frequency or time of administration and any other special instructions.
 - B. Nonprescription medication must have the student's name affixed to the original container.
3. The student may have in his/her possession only the amount of medication needed for that school day.
4. Sharing and/or borrowing medication with another student is strictly prohibited.
5. Permission to self-medicate may be revoked if the student violates school policy governing administration of non-injectable medication and/or these regulations. Additionally, students may be subject to discipline, up to and including expulsion, as appropriate.

I have read and I agree to the above criteria, and I give permission for my child to carry his/her medication.
